### Education

#### Occidental College

*Bachelor of Arts, Computer Science*

**Los Angeles, CA**

Expected Graduation: May 2025

**Relevant Coursework:** Fundamentals of Computer Science, Advanced Programming, Data Structures, Data Mining, Mathematical Foundations of Computer Science, Computer Organizations, Operating Systems, Justice & Equity in Technology, Principles of Economics 1 & 2, Accounting & Financial Analysis, Economic Data Analysis

### Work Experience

#### Onto Innovation

*Data Analytics Intern*

**Milpitas, CA**

*June 2023 – August 2023*

- Replaced Excel-based document control with a Power BI analytics dashboard, tracking product production status by quarter, improving data accessibility and visualizations
- Collaborated on a Power BI tool for real-time product status visualization
- Implemented a Power Automate flow for key subprocess approvals, cutting down manufacturing lead times by optimizing reminder processes
- Presented project summaries, achievements, and improvement areas to management and colleagues

#### Morgan Stanley (Mesa West Capital)

*Financial Analysis & Accounting Intern*

**Los Angeles, CA**

*June 2022 – August 2022*

- Employed pivot tables and vlookups in Excel for accurate reconciliation of servicing and loan fees
- Analyzed financial statements to accurately perform book transfers and journal entries in Yardi for multiple firm bank accounts
- Collaborated with teams and management, ensuring project goals were met
- Prepared investor presentations by summarizing complex information clearly and effectively in PowerPoint

#### United Mechanical & Metal Fabricators, Inc.

*Project Management Intern*

**Union City, CA**

*December 2022 – January 2023; December 2023 – January 2024*

- Leveraged bilingual skills to engage with the Spanish-speaking workforce, facilitating smoother communication and process optimization for raw material inventory tracking
- Utilized problem-solving to effectively address project roadblocks and maintain project timelines
- Crafted a focused balance sheet on fixed assets, improving strategic decisions through greater asset clarity

### Leadership & Activities

#### Determined To Succeed

*Student Leader*

**Los Angeles, CA**

*August 2017 – Present*

- Mentor first-generation high school students for college preparation
- Create meaningful relationships with staff and students to foster a community of support

#### Oxy Open-Source Club

*Co-Head of Community Engagement*

**Los Angeles, CA**

*January 2024 – Present*

- Assist with planning and implementation of events to foster engagement among Computer Science students
